✓ Permanent Resident of Sweden

Personal Summary

Enthusiastic and highly motivated Frontend Developer with a Bachelor's degree in Computer Science and over seven years of experience in IT operations. I Pursued a Web Development vocational program at Hyper Island, specialized in modern web technologies, including HTML, CSS, JavaScript, and React.js. Passionate about creating intuitive, responsive, and user-friendly web applications. Seeking an internship opportunity to apply my skills and gain hands-on experience in a real-world environment.
